not necessary work for an officer of an Asst Surgeons grade. The duty allowance should also be that of a 1st Asst Surgeon. A Senior 1st Asst Surgeon in charge does not get more allowance. An allowance of Rs 10 p.m. only can perhaps be sanctioned

[illegible] 6/10/25

5 Merely because there 1st Asst Surgeons are in the line for the Asst Surgeons' grade, they cannot be treated specially they should get the allowance of an Asst Surgeon when they are 20 appointed the duties of other 1st Asst Surgeons are also as onerous as that Senior 1st Asst Surgeons. The Comptroller seems to be right in objecting to grant such a large allowance as Rs 50/- per mensem.

G.O's of 2-10-07 and 31-12-13 — make the position clear. In the former an allce of Rs 50 was sanctioned to an Officer who was of the status of a Sub Asstt Surgeon. In the latter it was stated that the allce of Rs 50 was "payable to the officer in charge of the dispensary" apparently of whatever status. 7-25-9

Adverting to Government Order No. L. 8774-6 Med.4-24-21, dated 9th June 1925, placing the Mysore Lancer's Hospital in charge of a senior Sub Assistant Surgeon, instead of an Assistant Surgeon, I have the honour to forward herewith, in original, the Comptroller's letter objecting to pass the Duty Allowance at Rs.50/- claimed by the present Senior Sub Assistant Surgeon in charge of the Hospital on the ground that it was the rate sanctioned to an officer of the grade of an Assistant Surgeon and to state that the change sanctioned in the said order does not affect the duties and responsibilities of the charge which continue the same as before and that no change in the rate of the Duty Allowance is called for.

As a parallel case I may refer to Government Order No. L. 1886-7 Med. 135-22-4, dated 6th/8th September 1923, sanctioning the local allowance of Rs.50/- to Medical Graduates when placed in charge of important malnad Dispensaries although the same was sanctioned to Assistant Surgeon in charge of the institutions. Like Medical Graduates, Senior Sub Assistant Surgeons are also in the run for promotion to the Assistant Surgeons grade.

I therefore request that Government may be pleased to sanction the payment of the allowance of Rs.50/- attached to the Lancers' Hospital to the Senior Sub Assistant Surgeon placed in charge of the institution considering that the posting of a Senior Sub Assistant Surgeon has in no way lessened the responsibilities of the medical Officer and the duties expected of him are of the same onorous and exacting nature, and to instruct

instruct the Comptroller to waive his objection.

I have the honour to be,
